**AMEND Senate Bill No. 583\***

**House Bill No. 1311**

by adding the following at the end of subdivision (1) of SECTION 4 of Senate Environment,  
Conservation & Tourism Amendment No.1:

Provided, however, that such "forest industry" does not include any entity or  
organization engaged in the primary or secondary production of hardwood or softwood  
lumber and related manufactured products.

AND FURTHER by adding the following before the enacting clause of the printed bill:

WHEREAS, the general assembly recognizes that forest industry participation in  
nationally and internationally recognized programs that promote sustainable forestry  
certification is of value to the environmental, economic, and social well being of  
Tennessee; and

WHEREAS, such certification programs promote exacting standards of  
environmental principles, objectives, and performance measures and successfully  
integrate important forest resource benefits including timber products, wildlife, plants,  
soil, water quality, recreation, and aesthetics; and

WHEREAS, the general assembly further recognizes that the independent, third-  
party audits and certification evaluations coordinated by the Forest Stewardship Council  
and the American Forests and Paper Association provide comprehensive determinations  
of forest sustainability through the expert review of representatives from environmental,  
professional, conservation, academic, and public sectors; now, therefore
